Please turn in all pledges ASAP to see how close we are to reaching our goals, but definitely by Jan 23, 2016.

This fund raiser is for the students. It will allow them to enter competitions, attend assessments, and get much needed equipment to make them look, sound and perform better. Without these fundraisers, these things will not possible. Students, please pitch in and help us make this the most successful year ever! Go Tantasqua!

Thank you!
