

Tantasqua Music Association

Dear Valued Merchant,

It is with great anticipation that the Tantasqua Music Department (TMD) looks forward to the upcoming year. Over the past year, we have gained recognition at both the state and national levels, and we look to build on those accomplishments. These awards were due in large measure to the generosity of the businesses and patrons in the district that have stepped up to support us.

New Opportunities

This year we are aiming for higher achievement with several opportunities that are newly open to our students based on their recent accomplishments. These events not only provide performing and learning experience for the children, but also bring attention, and business, to our entire district.

We need your help.

We ask that your business consider supporting these talented students through the Tantasqua Music Association (TMA). School budgets for the Performing Arts are limited and sponsorships provide important resources to be invested in new instruments, uniforms, equipment, costumes, competition entrance fees and transportation among other expenses.

As a thank you for your generous donation, our sponsorship packages provide great visibility to your business with the captive audience of friends and families of the Union 61 District and beyond with a reach of over 10,000 impressions that are 100% viewed in all of our performance programs, our website, and more:

Sponsorship Benefits:

- Visibility in all of our program guides at all TRHS & TRJHS performances (12+ this school year)
- Visibility in the Fall Theatrical Musical "Anything Goes" Program Guide.
- Branding on the new TMA Website with Logo placement and hyperlink to your website
- Recognition at TMA sponsored activities -- Tantasqua Youth Soccer and the "East Region, 2014, USA Archery Indoor National Championship, USA Archery JOAD Indoor National Championship"

Your partnership and support will enable the Tantasqua Music Department to continue to participate in a wide variety of events, competitions and appearances in the coming year.

Please consider investing in our music students by participating in the TMA Sponsorship Program. Your support makes a huge difference, and we thank you for your consideration. Please contact Rom Portwood at sponsorships.tma@gmail.com with any questions.

Please take advantage of this opportunity. **Make checks payable, and send to: Tantasqua Music Association, P.O. Box 752, Sturbridge, MA 01566**

With respect, and many thanks from The Tantasqua Music Association, a 501 {c}{3} company - Tax ID: 04-2819286.

Tina Anderson, President
Tim Raymond, Vice President
Bonna Pano, Treasurer
Lisa Perry, Secretary
